LEDS C4

Tarifa P.V.P.R._V2

TARIFA 2021 - P.V.P.R_ **V2**

Condiciones generales de venta

Todos los pedidos cursados implican la aceptación íntegra, por parte del comprador, de las siguientes Condiciones Generales de Venta:

0. Validez

Tarifa válida a partir del **17/07/2021**.

1. Precios

Se aplicarán las tarifas vigentes en la fecha de recepción del pedido (precios P.V.P.R., IVA no incluido).

2. Plazos

Los plazos de entrega se confirmarán en el momento de cursar el pedido y serán siempre a título orientativo. Consultar política de portes para envíos a las Islas Canarias.

3. Transporte

Para pedidos superiores a 360 € (importe neto), la mercancía viajará a portes pagados (en península). Para pedidos por un importe inferior se cargará en factura 12 €, viajando la mercancía a portes pagados hasta destino (en península). El transporte se realizará a través de nuestra agencia de transporte habitual. Se podrá solicitar el transporte a través de otras agencias, pero en tal caso el transporte será a portes debidos.

El comprador tiene la obligación de revisar a la entrega la mercancía recibida y de conformar el albarán del transportista con el sello de la empresa y fecha de recepción. En el caso de existir anomalías, se deberá dejar constancia en el albarán y reclamar en un plazo máximo de 4 días hábiles tras la recepción de la misma.

4. Anulación de pedidos

Una vez cursado el pedido e iniciado el proceso de fabricación, no será posible cursar la cancelación de dicho pedido.

5. Devoluciones

Cualquier devolución de mercancía deberá ser previamente autorizada por el departamento comercial de LEDS C4.

Solo se aceptarán devoluciones de mercancía en tarifa vigente y en perfecto estado, manteniendo los embalajes, etiquetas y precintos originales. No se aceptarán devoluciones de mercancía fuera de catálogo y ejecuciones especiales (medidas, acabados, electrificado...).

Los portes de devolución correrán a cargo del solicitante y se aplicará un 20% de depreciación en concepto de gastos de administración y manipulación de la mercancía. Dicha depreciación no se aplicará cuando la devolución sea debida a

un error de suministro por parte de la empresa, corriendo los portes a cargo de ésta.

6. Abonos

Los abonos que por diversas causas se puedan producir serán descontados de la primera factura que se origine (o se enviará un cheque bancario al cliente), siempre que el cliente esté al corriente de sus obligaciones de pago.

7. Muestras

Las muestras de material deberán ser solicitadas mediante pedido y serán facturadas. En el caso de que sean devueltas (portes a cargo del comprador) y la mercancía esté en perfecto estado, el importe correspondiente será pertinentemente abonado.

8. Jurisdicción

En caso de litigio, se considerarán competentes los Juzgados y Tribunales de Cervera (Lleida), renunciando el comprador a su propio fuero de conformidad con lo dispuesto en el artículo 55 de la L.E.C.

9. Reserva de propiedad

LEDS C4 se reserva el derecho de propiedad de la mercancía suministrada hasta que el comprador haya satisfecho el pago total de la misma.

10. Directiva sobre aparatos eléctricos y electrónicos (RAEE)

Todos los precios indicados en la tarifa incluyen la tasa ECORAE. El cargo RAEE consiste en un ingreso para financiar la gestión de los Residuos de Aparatos Eléctricos y Electrónicos (RAEE) a nivel nacional. No es ningún impuesto o tasa, sino un coste inherente a la gestión de residuos.

La Legislación Española con el R.D. 208//200/ (RAEE) establece tres categorías distintas de cargos

RAEE en función de los pesos de los aparatos:

Categoría A: <750 gr. - 0,09€/unidad (LED) o 0,2€/unidad (FLUO)

Categoría B: de 750 gr. hasta 5Kg. - 0,16€/unidad (LED) o 0,4€/unidad (FLUO)

Categoría C: >5Kg - 0,5€/unidad (LED) o 0,6€/unidad (FLUO)

El cargo RAEE no es de aplicación sobre partes de luminarias, ya sean recambios o componentes, sino sólo sobre luminarias completas. En caso de suministrar lámparas fluorescentes o de descarga en los aparatos, se repercutirá un cargo RAEE de 0,20€/unidad adicional, independientemente de la potencia de la lámpara en cuestión, siendo para lámparas led 0,11€/unidad.
